Ad Text Matt Cage comes out as gay

The pro wrestler Matt Cage, known as 'Money' publicly announced that he is gay in a Facebook post. Previously Matt Hllum identified himself as bisexual.

Sorry, ladies. I'm officially pulling myself off of the market. Don't hate me too bad.'

'I truly have nothing to hide anymore,' he wrote. 'I spent the majority of my life lying, hiding and depressed because I felt like I couldn't truly be who I wanted to be and live freely as I saw fit. I had to act and that's not me. I, nor anyone else, should have to do that.'

Matt decided to tell the truth publicly because of speculation that was going behind his back. This news should please all progressive humanity because the coming-out once again confirms the fact that homosexuality and masculinity are a perfect combination and do not contradict each other.
